Time slot available: Mondays, 5:00 am – 8:00 am

Responsibilities: Share or alternate hosting a weekly air shift, including on-air announcing and engineering. Produce the program and operate station equipment within FCC regulations and WORT policies and guidelines for web streaming. Qualifications: A strong knowledge of and passion for classical music outside of the mainstream, especially women composers and performers; familiarity with people, events and resources within our listening area; enthusiasm for joining in our on- and off-air fundraising and outreach activities. An extensive personal music collection is a plus, and strong communication skills and dependability are crucial. Previous radio experience is not necessary; all training will be provided.
